Mr. Richard Schassburger
Deputy Manager, RFPO
U.S. Department of Energy
12101 Airport Way, Unit A
Broomfield, CO 80021-2583

RE: Modifications to the IM/IRA and RCRA Closure of the Present Landfill (February 2006)

Dear Mr. Schassburger:

Modifications to the *Interim Measures/Interim Remedial Action for IHSS 114 and RCRA Closure of the RFETS Present Landfill* are approved. These changes were proposed in order to clearly incorporate post-closure requirements into the IM/IRA. These modifications also ensure that environmental monitoring requirements in the IM/IRA are consistent with the *Monitoring and Maintenance Plan and Post-Closure Plan* for the Present Landfill.

Approval by the Environmental Protection Agency (EPA) constitutes Lead Regulatory Agency approval of the proposed CERCLA remedy presented in this decision document in accordance with RFCA §118. State approval is specific to the applicable landfill closure requirements in 6 CCR 1007-3 Part 265.310(a) and to the post-closure requirements of 6 CCR 1007-3, §§ 265.117 to 265.121.

If you have any questions please contact us at 303-312-6251 (Mark) or 303-692-3358 (Carl).

Sincerely,

Carl Spreng
RFCA Project Coordinator
Colorado Department of Public
Health and Environment

C. Mark Aguilar
Team Leader, Rocky Flats
Environmental Protection Agency
